Capabilities Statement

Who we are: The Emery Company specializes in providing IT staffing solutions that are essential for mission-critical government projects. As a privately held, Texas based business, we focus on delivering high-caliber, ready-to-perform professionals for IT consulting, staff augmentation, and other high-impact technical roles.

How we will help you: Since 2014, The Emery Company has consistently delivered results in the sourcing, recruiting, and retaining of exceptional talent. With a ***90%+ interview-to-hire ratio***, we can provide top-tier professionals to help agencies efficiently achieve mission-critical objectives with confidence.

Accuracy and reliability define our service, and we are committed to quickly finding the right talent that meets your agency's standards. We offer flexible, efficient, and proven solutions designed to help your projects succeed with precision and speed.

Partner with us – we will be your light at the end of your hiring tunnel.

Core Competencies

Cybersecurity & ICAM: Identity & Access Management (IAM), Threat & Vulnerability Management, and Governance, Risk & Compliance (GRC).

IT Infrastructure & Engineering: Cloud Services, Network Security, Systems Architecture, and Database Management.

Software Development: Application Development**,** AI Development, DevSecOps, Enterprise Systems, ServiceNow, and ERP solutions (PeopleSoft, Oracle, MS Dynamics 365, etc.)

Program & Project Management: PMP-Certified leaders skilled in Agile methodologies and IT portfolio management.

Human Capital & Workforce Solutions: IT consulting & staff augmentation, HR consulting, and Training & Development.

Healthcare & Scientific Staffing: GIS, Data Analytics, Clinical Professionals and Healthcare IT Solutions for critical healthcare projects.

HOW ARE WE DIFFERENT?

Emery delivers a strategic advantage for government agencies needing premium, mission-critical solutions. With streamlined onboarding, we specialize in providing highly skilled professionals who ensure the success of your projects with efficiency.

We understand the urgency of critical government initiatives and are ready to meet your needs with high-impact results. Our professionals bring real-world experience and technical expertise to drive your projects forward.

- **Mission-Critical Focus**: We deliver accurate, impactful results for agencies requiring high-performing talent to execute urgent and high-priority initiatives.
- **Efficient, Scalable Staffing Solutions**: We provide flexible staffing that ensures you have the right expertise at the right time, for both short- and long-term projects.
- **Commitment to Quality**: We focus on delivering top-tier professionals who contribute from day one, ensuring consistent quality and project success.
- **Confidentiality & Professionalism**: We uphold strict confidentiality standards, protecting sensitive information with professionalism and discretion.
- **Unmatched Attention to Detail**: Our team is committed to delivering exceptional client care with meticulous attention to the needs of each project, ensuring that your objectives are met with accuracy and excellence.

Focus, Accuracy, and *Quality* distinguish The Emery Company from other firms.

Let's work together to achieve your agency's mission with precision and top-tier talent.
